

HEATIT STRAIN RELIEVER RAL 9003

Casing for Heatit modules

Art.no	4512670
GTIN	7071236015628

The Heatit Strain Reliever is a robust and functional casing, specifically designed to secure and protect cables during the installation of Heatit smart modules and actuators.

Built with an integrated strain relief, the Heatit Strain Reliever protects cables from mechanical stress while ensuring a stable and reliable installation, whether in the ceiling or mounted on a wall.

Flexible Mounting Options
The Heatit Strain Reliever offers multiple mounting options to suit various installation needs:
- DIN Rail Mounting – Supplied with a dedicated clip for easy installation in fuse boxes or on standard DIN rails.
- Screw Mounting – Can be mounted directly on a wall using the pre-drilled screw holes for a permanent installation.
- Cable Entry – Available at both the back and bottom of the unit, providing flexible cable routing and ensuring a neat and organized installation.

Designed specifically for Heatit smart modules, this enclosure simplifies installation, making it both quick and efficient.

PRODUCT FEATURES

- Screw mounting
- DIN rail mounting
- Built-in strain relief
- Flexible installation
- Optimal cable routing
- Robust construction
- Fits various actuators/pill modules
- Compatible with Heatit smart modules

ADDITIONAL INFO

IP Code	IP20
Certification	Reach
EN Standards	CE
Warranty international	2 years
Country of origin	CN

ELECTRO TECHNICAL DATA

Grounding	No

PRODUCT DIMENSIONS

Product length	87mm	Product width	51mm
Product height-/depth	32mm	Product net weight	45g

MAINTENANCE

The product is maintenance-free.

RETURN AND RECYCLING

The product is recycled as hard plastic.
