HEATIT EEZEDIM 2P 250W

Heatit eezedim 2P is a 2-poled rotary dimmer for dimming lights in bathrooms and other rooms requiring a 2-pole switch. Can be used for incandescent lamps, electronic transformers, 230VAC halogen lamps or LEDs.

Heatit eezedim 2P is very well suited for LED, and fits into System 55 frames. When connecting low loads it is recommended to use a bypass.

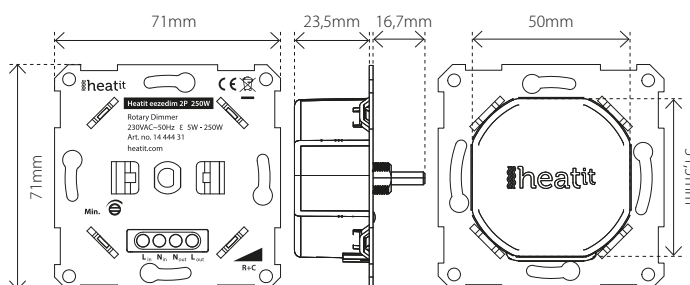

Included in package

1x White RAL 9010 plastic kit

Dimmer unit
