

## HEATIT EXTERNAL ROOM SENSOR BLACK

External room sensor NTC 10k $\Omega$

**Art.no** 5430133

**GTIN** 7071236016519

Heatit External Room Sensor is designed for use with Multireg and Heatit thermostats. The sensor can be mounted directly on a wall or on top of a wall box. Fits into most System 55 frames. The product comes in a matt version.

When used with a thermostat, dimmer or other products that emit heat, it is recommended that the sensor be mounted below these other products.

It is not possible to connect the sensors in series or in parallel.
