EOL

Push button for Z-wave

Art.no 4512580

GTIN

Heatit Z-Push Button2 is a battery operated wall switch with 2 push-buttons. The switch enables you to control the Z-Wave-products in your smart home system. Managing your Z-Wave products becomes easy and practical. The switch can be set up to control scenarios or work in associations with other Z-Wave products.

Heatit Z-Push Button2 can control 1 association group with up to 5 products or 4 scenarios through your gateway. Heatit Z-Push Button2 may not be used as a stand-alone unit; it must be included in a gateway to function.

The switch fits into System 55 frames.

The switch is easy to install, and may be fastened with screws or double-sided tape.
