HEATIT WIFI PANEL HEATER 800W WHITE

Electrical Radiator WiFi

Art.no	5430476
GTIN	7071236018346

Heatit WiFi Panel Heater/List is an electrical radiator. The convector can be controlled using the "MyHeatit" App via Wi-Fi, Bluetooth (BLE), by the buttons on the top, or through the open API over Wi-Fi. The convector has a user friendly interface.

Heatit WiFi Panel Heater has 2 modes; Comfort and Eco.

Heatit WiFi Panel Heater has a modern, slim design and is aesthetically pleasing. It is easy to install and can be either mounted on the wall or freestanding on legs (optional equipment).

The output power can be adjusted from the menu or from the app. It has child lock and open window detection. The device has an open API and supports Amazon Alexa and Google Home (Amazon Alexa and Google Home is pending).

The installer can configure the system via Bluetooth. After the system is set up, the installer can add the property to the customer. The customer can then add their devices to their local Wi-Fi network.

Heatit WiFi Panel Heater has active power metering and it gives you real time information about your power consumption.

Heatit WiFi panels are supplied both as a traditional convector and as a skirting panel heater. Heatit WiFi Panel Heaters come in outputs varying between 400W and 1500W in both white and black color schemes. Heatit WiFi List only in 1000W.

ELECTRO TECHNICAL DATA

Voltage	230VAC
Grounding	No

MAINTENANCE

Indoor use only.

Cleaning:

Switch off and unplug from the power supply before cleaning.

- Using a soft, moist cloth, with or without a mild soap solution, carefully clean the exterior surface of the product.
- CAUTION: Allow the product to completely cool before handling or cleaning it.
- Do not allow water or other liquids to run into the interior of the product, as this could create a fire and/or electrical hazard.
- We also recommend the periodic cleaning of this appliance by lightly running a vacuum cleaner nozzle over the guards to remove any dust or dirt that may have accumulated inside or on the unit.
- CAUTION: Do not use harsh detergents, chemical cleaners or solvents as they may damage the surface finish of the plastic components.

ADDITIONAL INFORMATION

Color cold lead: White

PRODUCT INFO RETURN AND RECYCLING
