

HEATIT STRAIN RELIEVER RAL 9003

Casing for Heatit modules

Art.no	4512670
GTIN	7071236015628

The Heatit Strain Reliever is a robust and functional casing, specifically designed to secure and protect cables during the installation of Heatit smart modules and actuators.

Built with an integrated strain relief, the Heatit Strain Reliever protects cables from mechanical stress while ensuring a stable and reliable installation, whether in the ceiling or mounted on a wall.

PRODUCT FEATURES

- Screw mounting
- Flexible installation
- DIN rail mounting
- Optimal cable routing
- Built-in strain relief
- Robust construction
- Fits various actuators/pill modules
- Compatible with Heatit smart modules

PRODUCT DATA

Ambient temperature range in use	60 to 5°C
Colour	Black Olive RAL 6015 White RAL 9003
Mounting	DIN Rail Stand alone Screw fastening

ADDITIONAL INFO

IP Code	IP20
Certification	Reach
EN Standards	CE
Warranty international	2 years
Country of origin	CN

Flexible Mounting Options

The Heatit Strain Reliever offers multiple mounting options to suit various installation needs:

- DIN Rail Mounting – Supplied with a dedicated clip for easy installation in fuse boxes or on standard DIN rails.
- Screw Mounting – Can be mounted directly on a wall using the pre-drilled screw holes for a permanent installation.
- Cable Entry – Available at both the back and bottom of the unit, providing flexible cable routing and ensuring a neat and organized installation.

Designed specifically for Heatit smart modules, this enclosure simplifies installation, making it both quick and efficient.

ELECTRO TECHNICAL DATA

Grounding	No
